Erasmus+ Programme
Inter-institutional agreement
Key Action 1
Learning mobility for higher education students and staff

between EU Member States and third countries associated to the Programme and third countries not associated to the Programme

The institutions[1] named below agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. This agreement is valid for the Erasmus+ call years 2026-2027:

- KA131

The institutions commit to sound and transparent management of funds allocated to them through Erasmus+ and to respect the quality requirements of the Programme, outlined in the Erasmus Charter for Higher Education[2] and in this agreement.

The institutions agree on exchanging their mobility-related data according to the principles of GDPR[3] and in line with the technical standards of the European Student Card Initiative[4], when this becomes available for international mobility involving third countries not associated to the Programme.

Sending institutions located in EU/EEA countries have to ensure compliance with the provisions of art. 46 GDPR for all participants' personal data exchanged in the context of their mobility with institutions from non-EU/EEA countries without an adequacy decision, on the condition that enforceable data subject rights and effective legal remedies for data subjects are available in the respective third country. The participants should be informed in a transparent manner about the level of protection of their personal data, if this is different from the one where the sending institution is located.

[1] Inter-institutional agreements can be bilateral or multilateral in the case of mobility consortia:

- Bilateral agreements are for cooperation between one higher education institution located in an EU Member State or third country associated to the Programme and another institution located in a third country not associated to the Programme
- Multilateral agreements are for cooperation between a mobility consortium of higher education institutions located in one single EU Member State or third country associated to the Programme and another institution located in a third country not associated to the Programme.

6. Preparation and support

The Higher Education Institution(s) in an EU Member State or associated third country commit(s) to:

[10] You may find the implementation guidelines of the **Erasmus+ and European Solidarity Corps Inclusion and Diversity Strategy** here: https://ec.europa.eu/programmes/erasmus-plus/resources/implementation-guidelines-erasmus-and-european-solidarity-corps-inclusion-and-diversity_en

- Ensure that students are aware of their rights and obligations as defined in the *Erasmus+ Student Charter*[11].
- Arrange travels or provide a pre-financing of the grant to **reduce the costs that participants need to cover upfront**, to the extent possible.

All involved Higher Education Institutions commit to the following preparation and support measures. Information and assistance can be provided by the contact points and information sources in the table below:

- The receiving institution will guide incoming mobile participants in finding **accommodation**, according to the requirements of the Erasmus Charter for Higher Education. It is considered best practice to use the individual grant to pay for the deposit of dormitories.

- Ensure that outgoing mobile participants are well prepared for their activities abroad, including blended mobility, by undertaking activities to achieve the necessary level of **linguistic proficiency** and develop their **intercultural competences**.
- Provide assistance related to obtaining **visas**, when required, for incoming and outgoing mobile participants, according to the requirements of the Erasmus Charter for Higher Education and, if needed, use project funds in the most inclusive way to cover related costs partially or in full.

[11] The Erasmus+ Student Charter is available here: https://ec.europa.eu/programmes/erasmus-plus/resources/documents/applicants/student-charter_en

- Provide assistance related to obtaining **insurance**, when required, for incoming and outgoing mobile participants, according to the requirements of the Erasmus Charter for Higher Education and use project funds in the most inclusive way to cover related costs partially or in full. The receiving institution will inform mobile participants of cases in which insurance cover is not automatically provided.

- The receiving institution will inform about the existence of relevant infrastructure and provide support to incoming **participants with fewer opportunities**.

- Provide **appropriate mentoring and support arrangements** for mobile participants, including for those pursuing blended mobility, as well as **integrate incoming mobile participants** into the wider student community and in the Institution's everyday life.

- Provide participants with their **grant as soon as possible upon arrival**, including if necessary a first payment using cash, check or similar to avoid delays linked to opening a bank account.

- The institutions commit to encourage participants to act as **ambassadors of the Erasmus+ Programme** and share their mobility experience, e.g. by providing information about the existence of Erasmus+ alumni networks, inviting former participants in promotion activities, etc.

7. Recognition

- Accept all activities indicated in the learning agreement, or according to the learning outcomes of the modules completed abroad, as automatically counting towards the degree, provided these have been satisfactorily completed by the mobile student.
- Partners commit to taking measures to ensure recognition of student and staff mobility upon their return, including:
    - Providing incoming mobile students and their sending institutions with free-of-charge transcripts. The documents must be in English or in the language of the sending institution and containing a full, accurate and timely record of the achievements at the end of the mobility period.
    - A Transcript of Records will be issued by the receiving institution no later than 5-6 weeks after the assessment period has finished at the receiving HEI.
    - Providing students on traineeships and staff with a certificate for the activities completed. It is recommended to issue a certificate towards the end of the mobility period.

8. Grading systems of the institutions

It is recommended that receiving institutions provide the statistical distribution of grades or make the information available through EGRACONS according to the descriptions in the ECTS users' guide[12]. The table will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution.

9. Any other information regarding the terms of the agreement (optional)

This Inter-Institutional Agreement applies exclusively to Erasmus+ incoming staff mobility from the Ukrainian partner institution to KHiO. Student mobility is not covered by this agreement.

Individual staff mobilities shall be arranged directly between the participating staff member, the sending institution and the receiving institution, subject to mutual agreement and approval.

The participating staff member is responsible for arranging and booking their own travel and accommodation, unless otherwise agreed.

Mobility activities under this agreement are subject to the special Erasmus+ provisions allowing the use of allocated Erasmus+ funds to support incoming staff mobility from Ukraine.

[12] The ECTS user's guide is available here: https://ec.europa.eu/education/resources-and-tools/document-library/ects-users-guide_en

These provisions shall apply only for as long as the relevant special arrangements remain in force under the Erasmus+ programme. Any changes to or discontinuation of these arrangements may affect the implementation and funding of mobility activities under this agreement.

Each mobility must comply with the applicable Erasmus+ eligibility requirements and be supported by the necessary mobility documentation.

The signing of this agreement does not automatically guarantee Erasmus+ funding. Each mobility is subject to individual approval, available funding and the applicable Erasmus+ programme rules.

10. Termination of the agreement

In the event of unilateral termination, a notice of at least one academic year should be given. Neither the European Commission nor the National Agencies can be held responsible in case of a conflict.
